

Hi, my name is Lilly

Stunning floof

Female Himalayan Cat

The names Lilly but you can not address me as anything but your Highness. I like to look out the window at the birds. Those sky wizards need to obey the laws of gravity to satisfy by dithering curiosity. My coat is more valuable than your 3rd mortgage so if you dare think you can "stroke" it to fill your depraved childhoods need for acceptance.... I will allow it. I secretly enjoy the attention. So I have a reputation to up hold being a pure origin Himalayan but the effort is exhausting. I would prefer to give in to the attention of the infidels as I rather enjoy the lavish lifestyle of human interaction. I would like a home with no canines. They ruin my complexion and street status. In reality: She is a super affectionate, really sweet confident girl. Will be an excellent best friend and companion.
