

Hi, my name is Daisey

Bouncy ball of fun

Female Domestic Short Hair Cat

Hello I'm Daisey! My foster carers tell me I make them laugh allot with the games I like to play when I jump up with a cat toy and run and hide waiting for you to come find me and throw my toy again. Im a sweet soul that's looking for a family that will give me lots of love, cuddles and time. I love to play with other cats and kittens so if you have a home with one I would love that! I even have my litter mates on pet rescue too so if you have the room, time and love for two of us that would be purrrfect. Please enquire on my profile which litter mates are mine! Daisey has been in foster care with other adult cats, kittens, dogs and little kids! She loves them all. Daisey is available for meet and greets and adoption at PETStock Mornington. Please direct all enquiries to the store
