

Hi, my name is Mesa

Looking for love

Female Domestic Medium Hair Mix Cat

Hi there, my name's Mesa and I'm super excited to see you're checking out my profile. I'm a bit of a catch, if I do say so myself! My buddies and I are here together and have sweet souls, gentle natures, and are so so cute. We are all longing to be loved and adored by human of our very own...could that possibly be you? When it comes to hobbies, we love lounging on a sunny window sill, checking out the foam density of the couch (comfortable level from 1-10), playing...a little more playing and then of course, getting some well-deserved face pats and chin scratches from our favourite people. We are looking for homes where we'll be loved unconditionally, kept well fed and cared for and very importantly - provided with safe INDOOR lifestyles so we get to live long, healthy lives. Thanks in advance xoxo If you think I might be the perfect fit for your family, please fill out an adoption application today! <https://www.rspcaqlld.org.au/expression-of-interest-to-adopt> Adoption Price \$300
