

Hi, my name is Wally

Looking for love

Male Short-hair Smooth Hair Guinea Pig

Uno & Wally were surrendered to the RSPCA by the previous owner. Unfortunately we have no prior history. They have also been in foster care while they grow big enough to find their new home. I can be shy at first, but all I am looking for is someone to love me. I'm very sociable once I get to know you. I like to explore and sometimes get into mischief, but that's how I learn about the world. We have a great fear of heights, please pet me close to the ground. I love being with people so I'd like to stay inside with you. Sleeping inside at night makes me feel safe. We would get lonely without a companion, so would like to go home together or with another Female guinea pig who will keep me company and show me the ropes. When you are not with me I need lots of things to do. A quick trip to a hardware store to get me some tunnels to run through will make my day.
