

Hi, my name is Cheddar

Looking for love

Medium Male Kelpie Mix Dog

I'm a cheeky chap if ever you did see one... and big enough to find my forever home too. If you want a life filled with chaos and fun, adopt a cute puppy, pick me, pick me! Honestly if you have the time for a whirlwind I will reward you with love and cuddles. Be Prepared I will need some company, as I am used to living with my siblings. I would greatly benefit from training and regular socialisation with other doggo's. If you think you could be the family that I have been searching for then complete the Expression of interest form in the link below. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
