

Hi, my name is Yoda

Looking for love

Large Female Irish Wolfhound Mix Dog

Hello my name is Yoda If you're looking for a friend to chill with, I'm your girl! I like to play chasey with the other dogs here then have a nap. My foster carer are super impressed with me as they leave me indoors while they go to work and I don't mess the house up! I enjoy sleeping in bed or beside the bed at night I am not a big barker, but I do tell my foster family when other pets & people are around our home. Chickens, birds or horses don't bother me- I get along with everyone! If you leave the gate open, I will go for a wander, however, I don't go too far. Where I'm staying now is on a hill and I like looking out and watching what is happening around me I am a girl who likes to be with you- always. Car rides and walks are things I really enjoy. Am I the girl for you?
