

Hi, my name is Teddy

Cuddly hunk

Medium Male Shar-Pei Mix Dog

Owing to my breed I can be a little bit aloof when I meet new people but once I bond to you I am a really cuddly guy. I offer lots of kisses and really enjoy getting some pats and scratches around the ears. I walk nicely on lead and know how to sit and I'm very tolerant of other dogs. I'd be happy to share my new home with another dog if our temperaments match. I'm a little bit wary of being handled too much so I'm not suitable to live with young children. I also tend to be a little bit protective of my food so my new family will have to help me overcome this.
