

Hi, my name is Bubbles

Pretty little Manx

Female Domestic Short Hair Cat

My name is Bubbles and I am a quiet reserved lady ... until I get to know you. Once I trust you I am all about zoomies and playtime. I can be a little shy at first but once I am comfortable my inner kitten really does shine through. I am definitely not the biggest cuddler/lap cat but I will share my couch with you and allow you to give me all the pats after we are finished playing. I have been told I make a great foot warmer in winter as I absolutely love to sleep across the end of the bed particularly if you have a nice fluffy blanket there for me to curl up on. I would prefer to live in a house with teenagers or adults as I find them to be more my speed and accepting of the fact that I am not the kind of kitty that loves to be picked up all the time; however if you are holding treats I will allow for you to pick me up anytime you like because treats are my weakness. If you would like to know anymore about me or come and watch me do the zoomies and play with my favourite toys please contact my foster Mumma. All Little Paws Kitten Rescue cats and kittens come to you vet ...
