

Hi, my name is Spitfire And Mustang

Sneaky cuddler

Female Domestic Short Hair Cat

I'm a shy girl but as soon as I get comfy I will sneak up for cheeky cuddles when you don't expect it. I will sneak up to your feet or your hand and start playing. I will let you give me kisses and pats at feed time, and I love to sneak up onto your bed. I love my brother and I'm learning from him that humans are ok. I love playing with my brother, I love sleeping snuggled up with him. My brother and I chase each other, play together, eat together, well just about everything we do we do together. I would love to stay with him as he gives me more confidence. I love food and I love playing. I'm also a super stunning tiger!
