

Hi, my name is Louie

Netflix and Cuddle

Male Maine Coon Mix Cat

From the owner: "Louis loves sitting on your lap at any chance he can get, and adores being carried around like a baby. He follows you around the house like a little shadow. He is an expert biscuit maker and the ultimate pur machine. He loves snuggling into fuzzy blankets.

He is a fantastic traveller in the car and is friendly with everyone he meets. We have a boisterous female Kelpie/Shepherd dog whom he gets along well with. He gives her head boops and sits with her when she's napping. When she's playing up he gives her space. He is honestly the sweetest little soul who puts up with just about anything."
