

# Hi, my name is Poppy \*9 Lives Project Rescue\*

Playful and friendly

## Female Domestic Short Hair Cat

Poppy is a relaxed lady looking for her furever home. Unfortunately her hooman had to move overseas and still has plenty of love to give. Poppy would love to hang out on your couch and keep you company. She loves to play and sleep in the sun. Ideally access to a secure cat run would be ideal for her.

All cats are desexed, vaccinated, microchipped, wormed and flea treated.
