Male Domestic Short Hair Cat

Let me introduce you to Boris. With his stunning green eyes and his sleek jet black coat, he is a very handsome fellow indeed. Boris is the most laid-back easy going boy you will ever meet who casually goes about his day with no fuss whatsoever. He loves the company of his foster carer and is very content to lay down under the coffee table or on the lounge after dinner.

He loves his cooked chook and eats all his food with no fuss. He is very well behaved and never jumps up on the counter or table. They say black cats will bring luck and prosperity to your life but I think having this beautiful boy in your home will be all the luck you need. He will bring happiness and love and affection to everyone he meets for many years to come. I CAN FLY TO PERTH!
