

Hi, my name is Apricot

Loving and Playful

Female Domestic Short Hair Cat

Hi friends!! My name is Apricot and along with my sister Marmalade we were rescued from the pound. It takes me a tiny while to warm up to new people, but when I do, we will be the best of friends. I am growing my fur back after a rough start to life, but I am slowly getting a beautiful ginger coat. I love my food and have recently learned to do zoomies around the house. I will have you tears of laughter with my playful shenanigans, and I am an entertainer at heart. I get along well with other cats, but dogs scare me, so I may have to learn to trust them. I can't wait to meet you and come and live my relaxing life with you.
