

# Hi, my name is Lexi & Casper

## Playful

### Small Male Spitz Dog

Meet Lexi & Casper the mischievous twosome. Two of the most friendly, happy, life loving, joyous dogs you could meet. They just crave to be with their humans. They adore attention and affection 24/7. Cuddles are their favourite thing. They love exploring and going on walks and are very good on the lead. Both are Japanese Spitz. Lexi is a 6 year old female and Casper is a 5 year old male. They do not like cats so a cat free home is desirable. They are not house trained and will also need some guidance and training with their exuberant greetings as they tend to jump all over you with excitement! Quite nervous around males and will take a few days to warm up to them. These 2 will add much joy and fun to any family!
