

Hi, my name is Rocky

Urgent Foster Needed

Male Domestic Short Hair Cat

Please say hello to Rocky. He is currently in care with his younger brother Clyde. Rocky is a shy boy and is needing a carer or forever family, who will patiently help him build trust with people. He is desexed vaccinated and microchipped. He is a healthy boy with a beautiful shiny coat. Rocky gets along fine with other cats and does not appear bothered by small dogs. This cat is available for adoption or foster. We recommend all cats to be kept as indoor-only. Please enquire below to learn more and to organise a 'facetime' or 'in person' meet & greet.
